

IN REMEMBRANCE OF OUR DEAR FRIEND

This year we said good-bye to a dear friend, Paul Sands. Paul was well known in the community for his successful commercial real estate ventures as well as his philanthropic contributions. Paul was a long time supporter of the American Cancer Society and generously gave his time and money to the cause. He served as Honorary Auction Chair for the 2010 Cattle Barons' Ball and even while fighting his personal battle with cancer, he continued his support. He was

heard saying at the 2010 Cattle Barons' Ball that "this year it means a lot more to me." Unfortunately Paul lost the battle with cancer on April 14, 2010. In honor of Paul's memory, the Paul Sands Memorial Sponsorship was created. When the business colleagues and friends from VIP Realty heard about this sponsorship they knew it would be an appropriate way to honor Paul. They were one of the first sponsorships secured. We are very pleased to welcome VIP Realty as the 2011 Paul Sands Memorial Sponsor.
